RULE 5. Schedule times shown in small type indicate special instructions in the timetable govern movement.

RULE S-72. Westward trains are superior to trains of the same class in the opposite direction.

RULE 93. Employees operating on tracks of Los Angeles Union Passenger Terminal are subject to rules of that company and are required to have copy and be conversant with current rules and regulations of LAUPT.

RULE 105. Sidings designated "E" in capacity of sidings column are assigned for use by eastward trains; those designated "W" are assigned for use by westward trains. Those designated "N" for North, and "S" for South, are assigned for use by trains as shown in special instructions for the subdivision on which located.

Capacity of sidings column indicates the number of cars of average length of 49 feet that siding will hold between fouling points, in addition to one steam engine and caboose.

SPECIAL INSTRUCTIONS—VENTURA SUBDIVISION

RULE 82-A. Trains to or from San Joaquin Division authorized on San Joaquin or Los Angeles Division are also authorized between Los Angeles or Los Angeles Yard and Burbank Jct. and will display numbers and signals, if any, accordingly between Los Angeles or Los Angeles Yard and Burbank Jct.

Trains to San Joaquin Division originating at Los Angeles or Los Angeles Yard must obtain San Joaquin Division clearance and need not obtain Los Angeles Division clearance; and need not obtain clearance at Burbank Jct. if cleared by train-order signal.

Eastward regular trains and sections thereof from San Joaquin Division need not obtain clearance at Burbank Jct.

Trains with SP clearance obtained at Los Angeles Yard are authorized to operate as an extra train within yard limits on Puente Branch.

Trains via Puente Branch will obtain UPRR clearance and train orders, if any, at Los Angeles Yard which will apply on UPRR between Puente Jct. and Bartolo.

Clearance, and orders, if any, will be delivered by messenger from Los Angeles Yard to light engines originating at Taylor Roundhouse.

RULE 83. Identification may be made by eastward trains on double track between Santa Barbara and East Santa Barbara to be applied at end of double track. Reduce speed sufficiently to permit identification and comply with Rule 14 (k).

When a regular train or section of schedule is checked at Los Angeles it will not be necessary to obtain check of the same train at Burbank Jct. when moving to San Joaquin Division.

RULE 83-A. At the following station only trains indicated will register:

Los Angeles Yard, originating or terminating, except light engines to or from Ventura Subdivision.

RULE 83-B. At open train-order offices, trains may register by ticket as follows:

Santa Barbara...First-class, and trains consisting of passenger equipment only.

Firestone Park.....Westward trains.

RULE 93. Trains and engines entering and leaving Los Angeles Union Passenger Terminal operate on tracks of that company.

Between Mission Tower and Dayton Ave. Tower, via East Bank Jct., trains or engines may use main tracks, in either direction, being governed by signal indication.

Trains or engines stopped by interlocking signal at signal bridges 3, 4 or 6 will, if signal does not clear, call signal operator on telephone located on signal bridge.

RULE 97. Extra trains must not run via Santa Paula or Burbank branches unless train order so specifies.

RULE D-97-A. Applies between Santa Barbara and East Santa Barbara and between Burbank Jct. and Los Angeles.

RULE 105. Oxnard—West switch to siding located at Signal 4078. Inside switch on siding must be left lined for drill track.

Northridge—Track north of main track is westward siding;
Track south of main track is eastward siding.

Eastward trains entering siding at Camarillo; and westward trains entering siding at Oxnard and Ortega will stop back of the home signal until the switch is thrown to enter the siding.

Saugus. Westward siding extends from MP 451.5 to connection with main track just west of Signal 4505.

Eastward siding is first track north of main track and is west of station building, and may also be used by trains and engines when necessary to do switching on corral or house track.

Trains or engines must not foul westward siding from east end of Bunnell storage track until telephone permission is received from train-order operator.

Saticoy. Siding extends from crossover at D street to East switch.

RULE 208. Third and fourth paragraphs will not apply to westward trains at Burbank Jct. via Sun Valley or Hewitt when train to which restricting order is addressed is entering siding.

RULE 221. Los Angeles Yard is a train-order office only for trains originating.

Firestone Park is train-order office for eastward trains only.

Thenard Tower is train-order office for westward trains only.

Burbank Jct. is a train-order office for westward trains only.

Train-order office Santa Barbara is located at freight station. Crews of westward passenger trains will receive orders at train-order office, and deliver them to relieving crews at passenger station.

Light will not be displayed in train-order signals on Santa Paula Branch except when train-order operator is on duty.

Light will not be displayed in train-order signals on Ventura Subdivision east of Firestone Park, except when train-order operator is on duty.

RULE D-251. Will apply as follows:

Both tracks between Burbank Jct. and Los Angeles.

RULE 82-A Trains with SP clearance obtained at Los Angeles Yard, Indio, Colton, or City of Industry are authorized to operate as an extra train within yard limits on Puente Branch.

Trains with SP clearance obtained at Los Nietos are authorized to operate as an extra train within yard limits on Puente Branch and as an extra train on Colton Subdivision.

Trains via Puente Branch will obtain UPRR clearance and train orders, if any, at Los Angeles Yard, Colton, City of Industry or Los Nietos which will apply on UPRR between Puente Jct. and Bartolo.

First-class trains and trains consisting of passenger equipment only, authorized on Colton or Salton Subdivision and operating through Indio Yard with same conductor and engineer are thereby authorized on Colton or Salton Subdivision without obtaining a clearance at Indio Yard.

Movements between CTC limits and Colton governed by block signals which indications will supersede the superiority of trains.

RULE 83-A. At the following stations only trains indicated will register:

Indio Yard: Trains originating and terminating.

RULE 83-B. At open train-order offices trains may register by ticket as follows:

Firestone Park

Los Nietos

RULE D-97-A. Applies between Los Angeles and Alhambra, and between MP 609.74 Indio and MP 618.41 Thermal.

RULE 204. First-class trains and trains consisting of passenger equipment only, of Colton or Salton Subdivisions, operating through Indio Yard with same conductor and engineer may be issued train orders on one subdivision that affect their movement on Colton or Salton Subdivisions.

RULE 221. Colton is train-order office for trains originating only.

Light will not be displayed in train-order signals on Colton Subdivision east of Firestone Park, except when train-order operator is on duty.

Conductors and Engineers of trains operating between City of Industry and Los Nietos are not required to obtain an SP Clearance at City of Industry or Los Nietos except on the initial trip between these stations.

RULE D-251. Will apply as follows:

Both tracks between Los Angeles, Alhambra, and between MP 609.74, Indio, and MP 618.41, Thermal.

SPECIAL INSTRUCTIONS — SALTON SUBDIVISION

RULE 21-C. Trains authorized on Salton Subdivision or Wellton Subdivision of the Tucson Division will display indicators and signals, if any, between end of CTC, Yuma and East Yard.

RULE 82-A. First-class trains and trains consisting of passenger equipment only, authorized on Colton or Salton Subdivision and operating through Indio Yard with same conductor and engineer are thereby authorized on Colton or Salton Subdivision without obtaining a clearance at Indio Yard.

Trains authorized between Calexico and Niland are not required to obtain clearance at Niland.

RULE 83-A. At the following stations only trains indicated will register:

Indio Yard: Trains originating and terminating.

RULE D-97-A. Will apply between end of CTC, MP 732.45, Yuma and East Yard, and between MP 609.74, Indio and MP 618.41, Thermal.

RULE 105. Thermal: Eastward siding extends between eastward absolute signal, MP 618.41, beginning of CTC and westward absolute signal at spring switch, MP 620.15,

Westward trains must not use this siding without obtaining permission from train dispatcher.

Calexico: Siding is first track north of main track extending from MP 706.84 to MP 708.59.

RULE 204. First-class trains and trains consisting of passenger equipment only, of Colton or Salton Subdivisions operating through Indio Yard with same conductor and engineer may be issued train orders on one subdivision that affect their movement on Colton or Salton Subdivisions.

RULE D-251. Will apply as follows: On both tracks between MP 609.74, Indio and MP 618.41, Thermal.

On both main tracks between end of CTC, MP 732.45, Yuma and East Yard.
